Dear Sir:

On September 17, 2003 Applicant filed an information disclosure statement and PTO form 1449 which contained a typographical error.

Specifically, document number 6 under "Other Publications" on form 1449 should read "pp. 37-40," (not "pp. 37-39"). Accordingly, we are submitting a new 1449 form with this information.

If any fee is required in connection with this matter, please charge Deposit Account no. 50/1039.

Respectfully submitted,
